10:15 - 10:30	Do We Need a Prevention Program?	Mohamed Hassanein	
10:30 - 11:00	Opening Ceremony		Hall E
11:00 - 11:30	Exhibition Opening & Coffee Break		Hall F
11:30 - 13:00	Session 2 - Endocrine - State of Art Lectures Chairs: Ali Alzahrani Iyad Ksseiry		Hall E
11:30 - 12:00	Hypoparathyroidism: Translating Science into Practical Guidelines	Henry Kronenberg, USA	
12:00 - 12:30	Updates on Osteoporosis Management	John Bilezikian, USA	
12:30 - 13:00	Thyroid Nodules: When to be Concerned?	David Cooper, USA	
13:00 - 14:00	Lunch Break / Poster Session		Hall F
	Hall E	Hall D	Hall C
14:00 - 16:00	Session 3 - Endocrine (Pituitary-Adrenal) Chairs: Abdulrazzaq Al Madani Sara Suliman	Session 4 - Diabetes Session (Hot Topics) Chairs: Salem Beshyah Abdullah Ben Nakhi	Practical Workshop 1 Chair: Walid Kaplan
14:00 - 14:30	Pheochromocytoma: Myths and Reality Peter Trainer, UK	Future Therapies in Diabetes: What's Hot and What's Not? Steve Bain, UK	Carbohydrate Counting: An Introduction to Healthcare Providers to Achieve Better Glycaemic Control Ebaa Al Ozairi, Kuwait
14:30 - 15:00	How to Approach an Incidental Pituitary Lesion? Laurence Katznelson, USA		
15:00 - 15:30	Adrenal Incidentalomas: What's Next? Peter Trainer, UK	Cardiovascular Outcome Studies: What do we expect? V. Mohan, India	Practical Workshop 2 Chair: Fatma Jaffar Abdulla Alzarawani Continuous Glucose Monitoring (CGM) & Insulin Pump Use in Diabetes Treatment Carine deBeaufort, Luxemburg Asma Deeb, UAE
15:30 - 16:00	Hyperprolactinaemia : An Overview on Diagnosis and Medical Treatment Laurence Katznelson, USA		
16:00 - 16:30	Coffee Break		Hall F
16:30 - 17:30	Industry Symposiums	Industry Symposiums	Hall D
16:30 - 17:00	The Future of Basal Insulin: Improving Patient Outcomes by Addressing Unmet Needs <i>Symposium by Novo Nordisk</i> Speaker: Steve Bain, UK Chair: Iyad Ksseiry, UAE	Real Insulin Intensification Cases <i>Symposium by Lilly</i> Speaker: Hamed Farooqi, UAE	
17:00 - 17:30	What a Cardiologist Can Say in an Endocrine Conference? Diabetes From a Cardiologist Perspective <i>Symposium by Merck</i> Speaker: Mark Kearney, UK	Unmet Needs in Basal Insulin Treatment: Glargine 300 Clinical Evidence <i>Symposium by Sanofi</i> Speaker: Riccardo Bonadonna, Italy	

EMIRATES DIABETES & ENDOCRINE CONGRESS
 16 - 18 FEBRUARY 2017 | DUBAI, UNITED ARAB EMIRATES
SCIENTIFIC PROGRAM

Day 2, February 17, 2017 (Friday)

07:30 - 08:30	Registration & Welcome Coffee	
08:30 - 10:00	Session 5 - Diabetes - State of Art Lecture Chairs: Ahmed Hassoun Eiman Awad Abdelrahman	Hall E
08:30 - 09:00	Clinical Implications of Current Understanding of Diabetes Pathophysiology	V. Mohan, India
09:00 - 10:00	Diabetes and Pregnancy: Management Update	Ian Blumer, Canada
10:00 - 10:30	Coffee Break	
10:30 - 11:00	Session 6 - Diabetes - State of Art Lecture Chair: Mohammed Farooqi	Hall E
10.30 - 11.00	Cardiovascular Outcome Trials in Diabetes: What do we Currently Know?	Subodh Verma, Canada
11:00 - 12:00	Session 7 - Diabetes Debate Chair: Mohamed Hassanein	Hall E
11:00 - 12:00	Obesity Management: What is the Optimal Approach? Surgical Approach vs Medical Approach	Francesco Rubino, UK John P Bantle, USA
12:00 - 14:00	Friday Prayer, Poster Session & Lunch Break	
	Hall E	Hall D
14:00 - 16:00	Session 8-Endocrine (Thyroid and Parathyroid) Chairs: Hussein Saadi Aly Khalil	Session 9 - Diabetes Chairs: Jalal Nafach Dario Rahelic
14:00 - 14:40	Differentiated Thyroid Cancer: Updated Guidelines David Cooper, USA	Diabetes Guidelines 2017 Steve Bain, UK
14:40 - 15:20	Thyroid Cancer: How to Manage Complex Cases Stephanie Lee, USA	The Role of Diabetologist in Bariatric Surgery John P Bantle, USA
15:20 - 16:00	Hyperparathyroidism: Practical Approach to Management John Bilezikian, USA	Diabetes and Heart Failure and Diabetes the Silent Killer Subodh Verma, Canada
16:00 - 16:30	Coffee Break	
16:30 - 17:30	Industry Symposiums	Industry Symposiums
16:30 - 17:00	Targeting the Core Defects of Type 2 Diabetes <i>Symposium by MSD</i> Speaker: Juris Meier	Practical Implications of Cardiovascular Outcome Trials in T2D Management <i>Symposium by Boehringer Ingelheim</i> Speaker: Subodh Verma, Canada
17:00 - 17:30	Gliptin Across Diabetes Continuum <i>Symposium by Novartis</i> Speakers: Salahedden Abusnana, UAE Tarek Fiad, UAE	SU in Early in Diabetic Nephropathy <i>Symposium by Servier</i> Speaker: Mohamed Hassanein, UAE Chair: Nam Han Cho, Korea

EMIRATES DIABETES & ENDOCRINE CONGRESS

16 - 18 FEBRUARY 2017 | DUBAI, UNITED ARAB EMIRATES

SCIENTIFIC PROGRAM

Day 3, February 18, 2017 (Saturday)

07:30 - 08:30 Welcome Refreshments

08:30 - 09:30 **Session 11 - State of Art Lecture - Paediatric Session** Hall E
Chair: Asma Jassim Binjab

08:30 - 09:30 Automated Insulin Delivery and Artificial Pancreas: A look into the Future of Type 1 Diabetes **Carine deBeaufort, Luxemburg**

09:30 - 10:30 **Session 12 - Oral Presentations** Hall E
Chairs: Juma Alkaabi | Mohammed Hassanien | Salah Abusnana

09:30 - 09:40 Prevalence and Associated Risk factors for Diabetes in Male South Asian Expatriates **Muneera Ali, Pakistan**

09:40 - 09:50 Prevalence of Thyroid Cancer in Nodular Graves' Disease Patients in Saudi Arabia **Yusef Al-Saleh, KSA**

09:50 - 10:00 A Retrospective Study To Assess The Efficacy And Safety Of SGLT2 Inhibitors in Patients With Type 2 Diabetes Mellitus on Oral Hypoglycemic Agents with or Without Insulin **Amina Adil Al-Qaysi, UAE**

10:00 - 10:10 Expression Profiling of Orphan Genes in Human Pancreatic Islets with and without Type 2 Diabetes **Esraa Al Araby, UAE**

10:10 - 10:20 Best Presentation / Best Poster Awards

10:20 - 11:00 Coffee Break Hall F

Hall E	Hall D	Hall C
Session 13 - Endocrine (Thyroid-Androgen) Chairs: Yusef Saleh Alaaeldin Bashier	Session 14 - Diabetes Special Population Chairs: Monira Al Arouj Mohammed Fargaly	Session 15: Paediatric Endocrine Chairs: Asma Jassim Binjab Walid Kaplan
11:00 - 12:00 Endocrinology and Pregnancy: Physiology and Pathology Thyroid Disorders During Pregnancy Stephanie Lee, USA	11:00 - 11:40 Diabetic Nephropathy Update Mohamed Hassanein, UAE	11:00 - 11:30 Approach for Disorders of Sexual Differentiation (DSD) Celia Rodd, Canada
12:00 - 13:00 Testosterone and the Heart Michael Irwig, USA	11:40 - 12:20 Diabetes in the Older Person Roger Chen, Australia	11:30 - 12:00 Case Scenarios: On Sexual Differentiation Elham Al Amiri, UAE
	12:20 - 13:00 Eating Disorders in Diabetes Roger Chen, Australia	12:00 - 12:30 Thyroid Disease in Children and Adolescence Celia Rodd, Canada
		12:30 - 13:00 Case Presentations on Thyroid Diseases in Children and Adolescence Asma Deeb, UAE

13:00 - 14:00 **Session 16 - Diabetes - State of Art Lecture** Hall E
Chair: Mohammed Farooqi

13:00 - 14:00 Cardiovascular Risk Factors in Diabetes: How far should we go? **Francesco Giorgino, Italy**

14:00 - 14:15 Closing Remarks / CME Certificate Distribution

14:15 Lunch Hall F
